

WALL OF HONOUR MISSION STATEMENT

The purpose of the “Wall of Honour” is to recognize those members, past and current, who have brought credit to Royal Colwood and to themselves through their actions, either by distinguishing themselves as an outstanding golfer, not only at the Club level, but beyond; i.e. Provincial, National or International or by making significant and lasting contributions as a builder of the game through their volunteer or professional service to the benefit of Royal Colwood and Provincial or National or International golf associations.

HON. JAMES DUNSMUIR

Founding Member of Colwood Golf & Country Club	1913
--	------

James Dunsmuir, former Premier & Lieutenant Governor of British Columbia was a driving force in the development of the Colwood Golf & Country Club. Just as he had used his personal wealth to create Hatley Park, so he contributed to establishing Colwood Golf & Country Club. Interestingly, although he was a founding member of the Club, he was only a casual player of the game.

JOSEPH SAYWARD

Founding member of Colwood Golf & Country Club	1913
--	------

Joseph Sayward was the visionary founder of the Colwood Golf & Country Club. He was President of the Club from its formation in 1913 until his death in 1934. His financial resources and strong personal commitment established the basis for an extraordinary golf club that continues to challenge and delight members and guests.

President, Colwood Golf Club	1913/34
President, BC Golf Association	1924
President, Pacific Northwest Golf Assoc.	1927

MARGARET SAYWARD-WILSON

Daughter of Joseph Sayward, principal founder of the Colwood Golf & Country Club, Margaret became an exceptional golfer in her own right. As part of her father's legacy, Margaret held considerable stock in Colwood lands as well as a mortgage from RCGC. Without thought of personal financial gain, Margaret maintained her holdings in RCGC which in no small way underpinned the Club's continued viability. In doing so, she never lost sight of her father's final request to "make a success of Colwood".
